

Erratum

Ulloa U., C., D. L. Nickrent, C. Whitefoord & D. L. Kelly. 2010. *Hondurodendron*, a New Monotypic Genus of Aptandraceae from Honduras. *Ann. Missouri Bot. Gard.* 97: 457–467.

In Table 1, the incorrect GenBank numbers were printed for *Hondurodendron* and *Harmandia* in the *matK* and *accD* columns. The correct data can be found in the following revised table. The authors regret the error.

Table 1. Voucher information and GenBank accession numbers for 10 taxa used in the phylogenetic analysis. The DNA accession numbers refer to the collections by D. L. Nickrent archived at Southern Illinois University Carbondale. Sequences in boldface were newly generated for this study. NHN, National Herbarium of the Netherlands.
